1 DAY ISO 9001-2015 TRAINING
8:30 AM - 4:30 PM

2019 Spring Training - 2 Sessions Offered

Course Description

Understanding the ISO 9001:2015 Standard: This day is designed to provide an understanding of ANSI/ISO/ASQ 9001:2015 quality management systems requirements for implementation. Training will examine the 10 specific clauses of the standard, Management's role, business operational processes tied to metrics (Key Performance Indicators, "KPI's"), the application of the "Risk Management Process" and review of examples. A key aspect of the course presents methods to document your business management processes to meet the requirements of the standard. Course format is lecture, discussion, and learning feedback workshops.

Agenda

- ❖ Introduction, Higher Level Structure - QMS Principles, Scope
- ❖ Context Requirements
- ❖ Documentation Methods
- ❖ Leadership Requirements
- ❖ Planning the QMS and Risk Requirements
- ❖ Support and Operations Requirements
- ❖ Performance and Improvement Requirements
- ❖ Planning for Implementation
- ❖ Understanding Through Feedback Workshops

Prerequisite: Please read the ISO 9001:2015 Standard and bring a copy of the Standard to the training.

Who Should Attend: Individuals who need to understand the requirements of ISO 9001:2015 Standard to meet certification requirement or to maintain existing certification. This course is configured for beginners as well as seasoned professionals.

Course Instructor: Michael J. Dougherty, Certified QMS Lead Auditor, IAQG AEA, CMDCAS LA
 22 Years Practicing Registrar Lead Auditor, 10 years QS9000 LA

Cost: \$450 per person, 10% Discount for 3 or more attendees.
 Includes training materials and continental breakfast. Lunch is on your own.

Cancellations received less than 10 days prior to course date will be assessed \$250/person.

Location: Holiday Inn, Inn At Towamencin, 1750 Sumneytown Pike, Kulpsville, PA 19443. Phone: 215-368-3800
At Exit 31 (Lansdale) of the Northeast Extension of the PA Turnpike.
Right off exit ramp easy pass, or Left after the cash Toll Booths.
Hotel on immediate right. Please be sure to reserve your overnight room early if needed.

2 DAY ISO 9001:2015 INTERNAL AUDITOR TRAINING

8:30 AM - 4:30 PM Each Day

2019 Spring Training - 2 Sessions Offered

Course Description

Day 1: Understanding the ISO 9001:2015 Standard. This day is designed to provide an understanding of ANSI/ISO/ASQ 9001:2015 quality management systems requirements for implementation. The training will examine the 10 specific clauses of the standard, Management's role, business operational processes tied to metrics (Key Performance Indicators, "KPI's"), the application of the "Risk Management Process" and review of examples. A key aspect of the course presents methods to document your business management processes to meet the requirements of the standard. Course format is lecture, discussion, and learning feedback workshops. See agenda for details.

Day 2: Audit Mechanics-Process Based Audit Methodology. This day is designed to develop internal quality management systems auditing skills using the process approach. Attendees will use the understanding from Day 1 and apply that material to the auditing process. Course format is lecture plus discussion, and audit skill development involves individual, team and interactive role play sessions. See agenda for details.

Note: Those who attend the full 2-day program will receive a CD containing Auditing Checklists, Internal Audit Procedure, and Process Audit Report Forms in Microsoft Word. All will receive process diagram templates

Prerequisite: Please read the ISO 9001:2015 Standard and bring a copy of the Standard to the training.

Who Should Attend: Individuals who will perform audits to the ISO 9001:2015 Standard and anyone engaged in the development of the quality management system will benefit from this training, to meet certification requirement or to maintain existing certification. This course is configured for beginners as well as seasoned professionals.

Course Instructor: Michael J. Dougherty, Certified QMS Lead Auditor, IAQG AEA, CMDCAS LA
22 Years Practicing Registrar Lead Auditor, 10 years QS9000 LA

**½ Day ISO 9001:2015/AS9100D/TS16949:2016
 Quality Management System
 Management Training
 On-Site Training**

Description: This program is designed to provide an understanding of Management's role for implementation of the Quality Management System baseline requirements of the ISO Series Standards; which provides the basis for many other standards and regulations. The scope of the training will include a review of quality management systems (QMS) concepts with specific focus on management leadership, management's role and accountability, context of the organization, responsibility of the process owners, business operations performance effectiveness, metrics and improvement; how the standard provides value added tools for bottom line results, and risk management. Additional discussions include the Registrar's point of view and implementation of management strategies. The course is conducted by a practicing Registrar Lead Auditor and Business Manager, providing first-hand information; the Registrar's expectations as to what must be in place from a management perspective; how best to prepare for certification, certification upgrade, or to maintain certification status. Course format is lecture and discussion.

Prerequisite: Bring a copy of the standard to the training; Best to read it prior to attendance.

Who Should Attend: Senior Management, Staff Managers and Management in charge of specific business operating processes: i.e., Customer Service, Quality Control, Design/Engineering, Purchasing, Inventory/Storage, Shipping/Receiving, Production/Production Planning, Service, etc. This course is configured for all managers who are responsible for the business operating segments.

Course Instructor: Michael J. Dougherty, Exemplar Global QMS LA ISO 9001 & ISO 13485 Certifications
 IAQG AEA AS9100 Aerospace LA Certification
 22 Years Practicing Registrar Lead Auditor, & 10 years QS9000 Lead Auditor
 3 years Exemplar Global Technical Advisory Group; Examiner AS9100 Auditor Certification and Training

Course Agenda

- Introduction and QMS Principles
- Context of the Organization Requirements
- Management Leadership Requirements
- Planning and Risk Requirements
- Performance Metrics/KPI Requirements
- Summarized Planning for Implementation
